

REMARKS

The above amendments to the claims have been made to remove the multiple dependencies and otherwise place the claims in better form for initial examination and no substantive change in the scope thereof is intended. Furthermore, appended hereto is a substitute specification and a mark-up copy thereof of from which the Examiner can confirm the fact that no new matter has been added. It is requested the examination be based on the substitute specification and the above new claims.

Respectfully submitted,

David S. Safran
